

**MARYLAND MEDICAL ASSISTANCE PROGRAM**

**SCHEDULE MA-6**

Average monthly amount payable for care in a skilled nursing facility

<b>Effective</b> <b>7/1/14</b>	<b>Average</b> <b>\$7,940</b>
-----------------------------------	----------------------------------

Average daily amount payable for care in a skilled nursing facility

<b>Effective</b> <b>7/1/14</b>	<b>Average</b> <b>\$261</b>
-----------------------------------	--------------------------------

**Note: We have updated Schedule MA-6 out of sequence, using Maryland average rate from The 2012 MetLife Market Survey of Nursing Home (and other LTC) Costs. We will have another update on the first day of the month following release of Met Life's 2013 report, in the fall of 2014. Thereafter we will be making regular annual adjustments based on Maryland data from this respected study.**
